## ESPECIFICACIONES TÉCNICAS / SPÉCIFICATIONS TECHNIQUES

ES

**Estructura:** Gran parte de nuestros muebles están fabricados con estructura **100% de aluminio**, presentando la máxima resistencia a la corrosión. También ofrecemos una gran variedad de modelos fabricados en polipropileno de alta densidad especiales para exterior.

**Fibra:** Nuestras fibras sintéticas están fabricadas con polietileno de alta calidad **SOLANA®** con estabilizador UV de CIBA SPECIALTY CHEMICALS INC, manteniendo la inalterabilidad del color y aumentando su resistencia al calor, garantizando un óptimo comportamiento para su uso en el exterior.

*Todos los productos están garantizados contra cualquier defecto de fabricación, siempre bajo condiciones de uso y mantenimiento normales, es decir, no podemos garantizar los desgastes producidos por el propio uso.*
