- Ordini speciali con colori RAL diversi da quelli riportati a catalogo potranno essere accettati purché concordati con la direzione. Tali ordini avranno una maggiorazione che si aggira tra il 15% e il 18% (valore da confermare dall'ufficio commerciale). Per le suddette forniture si richiede TASSATIVAMENTE un 30% di acconto a conferma dell'ordine. Contattare la direzione per un preventivo corretto.
- Per l'applicazione del fondo epossidico zincante, consigliato in zona mare, si richiede una maggiorazione pari al 10% del prezzo del prodotto

Per gli ordini inferiori a €1.000,00 è richiesto un contributo trasporto di euro 45,00. Per le isole in questo caso il trasporto è totalmente a carico del cliente e verrà comunicato al momento della conferma dell'ordine e aggiunto in fattura. - La consegna standard si intende FOT (a bordo autocarro) - non è previsto che il corriere metta il materiale a terra. In caso di necessità di sponda idraulica per lo scarico (consigliata per tavoli Quatris e Fox su bancale) questa richiesta deve essere segnalata in fase di ordine ed ha un costo di euro 35 più Iva. Le consegne vengono effettuati con cartoni sfusi, in caso di richiesta di merce su bancale questo costo va concordato al momento dell'ordine. Le consegne in zone impervie, ZTL o con limitazioni in genere, devono essere segnalate al momento dell'ordine.

Tutti i costi aggiuntivi che scaturiranno dalla mancata segnalazione saranno addebitati in fattura al cliente il mese successivo.

In caso di danneggiamento della merce durante la spedizione occorre segnalare in bolla al momento dello scarico lo stato del collo con la seguente dicitura -"scarico con riserva di controllo - collo non integro". Se questo non viene fatto, non verrà accettata alcuna richiesta di sostituzione in garanzia.

Richiedere SEMPRE al corriere di firmare il cedolino di consegna sia per ricevuta del materiale che per restituzione del bancale EPAL. Senza il cedolino correttamente firmato non si accettano eventuali contestazioni.

- La richiesta da parte del cliente della consegna del prestagionale su bancale va fatta al momento dell'ordine. I bancali andranno resi al momento dello scarico o fatturati al costo di € 18+iva. Inoltre viene richiesto un contributo da valutare con la direzione.
- Tutti gli ordini devono essere confermati per iscritto dall'acquirente utilizzando, se possibile, il modulo d'ordine di Vermobil. Si prega di controllare la conferma ordine attentamente.
